Description

Grand Soleil 39

Iconic and elegant performance cruiser.

Refined Italian design and detail make the GS 39 truly unique.

The trendsetting performance cruiser has a 40-year history that maintains its innovative seaworthiness and style while it continues to exceed expectations.

The GS 39 packs features that are typically seen on the larger luxury yachts making its comfort and quality indisputable for the discerning sailor.

Style and Functionality

Light and streamlined, the GS 39 stays true to the Grand Soleil 'family feel' for your sailing experience in Italian style.

Safe for everyone on board, the fully flushed decks with mitred port lighting and lines with a recessed roller jib are renowned in the Pardo builder's range.

The cockpit offers ergonomic seating, sunbathing on the deckhouse, tucked away rigging and wide unobstructed passageways making movement aboard uncomplicated.

Finding your resting place is easy

On deck under sail, maximum comfort is also achieved. While sailing short handed, you'll be in complete control with the "T" shaped mainsheet system and its non-overlapping jib.

Interior Space

The L shaped galley and forward facing navigation station with heaps of storage gives this new model GS 39 a modern feel in comparison to the 1983 version.

An infusion of light coloured surfaces and the naturally lit interior gives your living space an abundant feel for a 39 footer. The options for wood and shade are yours – add some personal flair with mahogany veneer, light oak or teak.

There are several layout options to reflect your boating lifestyle.

Sporty Performance

Some will say the attention to detail in the GS 39 design is obsessive however not unexpected from America's Cup Designer Claudio Maletto.

Analytical studies on the waterline, weight, balancing, appendages and sail plan guarantee a lightweight sailing

yacht earning excellent marks in performance.

The GS 39 flat hull bottom and high-aspect-ratio appendages make for a spirited sail. This is a dynamic boat ready to respond rapidly with its well-balanced rudder, torpedo shaped keel and low wetted surface.
