## Description

The hull and deck is completely balsa-cored fibreglass with two watertight bulkheads, engine bearers and numerous stiffeners glassed to the hull. In other words, this is a rigid, sound, slippery and remarkably silent boat.

In the saloon, you will find a long lounge that sits opposite a large U-shaped dinette with ample seating for up to six. The aft galley links through to a generously sized cockpit with plentiful storage below deck. Bon Vie is characterized by a three cabin layout and sizable head.

The current owner has recently undergone antifoul prop-speed along with servicing on the engines.

Bon Vie is ready to enjoy the rest of summer with her new owners.
