Description

Riviera M400 Sports/Cruiser is the ultimate family platform for those who are adventurous and enjoy cruising, fishing & entertaining.

These vessels have been well thought out starting with the upgraded engine package consisting of the D6 350 Volvo engines coupled to Stern drives with a side power bow thruster to aid with docking.

With a comfy cruise speed of 23 knots we found conversation a breeze at normal voice level, with a sprint speed of 30 plus knots.

The Onan genset provides power to the galley and to the accommodation areas for air conditioning if required.

Accommodation is plentiful with the master island berth forward with the aft cabin providing another generous double and single.

The raised saloon has been well configured for entertaining, with seating and table in the dinette to host the dinner parties or to just chill out with the Sat dome, Samsung LCD TV with built in DVD player & Fusion stereo taking care of movie nights.

The duck-board is fitted with stainless steel staple including twin bait board, tender davits carry the immaculate Aquapro SMR inflatable with the Yamaha 5hp bracket mounted alongside.

To make an appointment to view this vessel please contact the Flagship R Marine team, the home of Riviera New Zealand.
